No. 791

Office of the Director of Public Instruction
Bangalore, 15th February 1867

From

J Garrett Esqr
Director of Public Instruction
of Mysore

To

The Secretary to the
Commissioner of Mysore

Sir

I have the honor to submit a letter from the head master of Chuckamugloor School applying for a grant of Rs 20 per month for house rent, from the time that he was appointed to that station

The letter was forwarded to me by the Inspector of Schools with his recommendation and support

Mr Rice was probably not aware of the circumstances under which Mr Steele was removed from Toomkoor to Chuckamuglooor viz for inattention to his duties by which the school suffered greatly, and for closing the school without orders, and thus, causing the Deputy Inspector a fruitless journey to — Toomkoor and back

The case was submitted to the Commissioner who concurred with me and

&c

with the opinion expressed by the Deputy Superintendent, that Mr. Steele should be removed from Toomkoor As the salary is the same in both places, there would have been no punishment in the exchange if both had been provided with schoolmasters quarters

As the Inspectors report is now favorable to Mr. Steele I would recommend an allowance for house rent from April next

It is about four years since a school house was sanctioned for Chickamuglore and 4000 or 5000 rupees transferred to the Public Works Budget for the purpose of building one, but only the foundations have yet been laid As it seems so difficult to get work of that character executed in many places I think it is deserving of consideration whether it would not be advisable to have buildings of mud and thatch, or mud and tiles, like the native houses, but loftier and well ventilated with good doors and windows

In fact some of the new school house lately built by contract at an expense of between 3 and 4000 rupees each,

are

are so badly done they are not likely to last as long as an ordinary native house.

I have the honor to be,
Sirs
Your most obedient Servant.

Bangalore

Sir,

Not being provided with Public Quarters ever since my arrival here now eight Months and there being no prospect of any accommodation of the nature being afforded me I respectfully beg you will be pleased to submit my claim for House Rent in arrears from the last mentioned time and continue the charge until such time as suitable Public Quarters are provided at this Station.

I beg to urge the following reasons as grounds on which I submit my claim to your generous consideration

1st That the Department engaged to furnish me with a dwelling House and Salary provided no Public Quarters where such Room Rent is estimated at a Rent equivalent to Rs 20 per Mensem, for upwards of eleven Course two Years, free of Charge

2d That the Head Masters of all the superior English Schools or three on an equal footing with myself now enjoy the Boon viz at Shemoga - Bapaun - Tumkoor and Chittledroog.

There circumstances before

Under these Circumstances coupled with the fact that I am one of the oldest hands in the Department entertained in 1852 and serving continuously since that period I beg that the Director will be pleased to take a favorable view of the Case and Submit it with his recommendation to the Commissioner for a favorable Consideration

The Director of Port Santa Cruz

Sir

In reply to your No 791 of the 15th Ultimo, I am directed by the Govr to state that he does not feel prepared, on the above further information, to sanction the grant of any allowance on account of House Rent to the Clerks, more especially as he does not consider that the circumstances which led to the latter's removal from Isla Verde to Santa Cruz, are likely to occur, as the present efficiency of a Steamboat does away with such an extraordinary power as the Govr exercised in this case.

The Govr does not wish that the grant of an allowance for House Rent to Allan and any of the other Departments in the Province, and considers it to be an objectionable form of giving an increase to a fixed salary, which

may have the effect of
establishing a very in-
convenient precedent.

The present case
does appear to have
been influenced by such
precedent - as the Asstt
Post Master at Ma-
nargal, who receives Rs/10
per mensem as House
Rent.

Under these cir-
-cumstances and before
finally passing orders in
the matter, the Govt. re-
quests you will report
whether any exception
has ever been taken to
Mr Dick or any other
Member of the Educational
Dept., that they would
obtain free Quarters or
an allowance for rent in
lieu of the same, and also
whether there are any other
besides the Post Master at
Chirnagali who at present
enjoy the privilege, and
if so from what time, and
by whose orders such rent
has been allowed to the
individuals or to others of the
Dept

Commissioner of Mysore

Sir

In reply to your letter No 6789/6 57 of the instant I have the honor to state that the Head Masters at Toomkoor, Shimoga Hassan, and Chitaldroog, live in free quarters provided by Government Those in Toomkoor Shimoga and Hassan were built many years ago, by order of Sir Mc Cubbon, when schools were established in those places and put under my supervision, but before the present Educational Department had been organised The one at Chitaldroog was purchased last year for Rs700 by order of the Commissioner

The grant of an allowance for rent to the Assistant at Shimoga arose in this way For several years the head masters brother was the Assistant, and as a house

was

was wanted for an Apothecary, the Superintendent of the Dennison, Colonel Porter, suggested that the two brothers should live together, and the Assistants house be made over to the Apothecary This was done, but about three years ago, when a stranger was appointed Assistant, and an application was made for the restoration of the house, it was found this could not be conveniently done, and an allowance for rent was made in compensation

In the case now under consideration Mr. Steele has no claim whatever His predecessors for three years received nothing it was proposed that a dwelling house should be erected near the school premises but I am not sure whether it was sanctioned or not.

The case of the Assistant Mr. Taylor at Hassan is quite different, as he receives only Rs 40, which is really insufficient to provide food, clothing and house accommodation, and I know he has had to obtain private assistance Instead of a grant under the head of house rent I would beg to recommend that his pay be raised to Rs 50 The head master

and

and the Inspector of Schools concur in expressing a very favorable opinion of Mr Taylors abilities and attention to his work It is believed that he would have passed the last Matriculation Examination but his application for admission was too late

The proposed increase of pay with regard to the Master of the under present practice cannot also be regarded as such, unless entitled to the Commutation as a temporary grant. The Director of Public Instruction has from his letter of 27th Feby last stated that the school house at Hastsal, now occupied by the School Master is actually required by the Department, but is only used by the Master to enable him to attend to classes up at the School House and he proposed that the amount should be stopped from the Master, in lieu of which he would build him a four class room at Hastsal

The old School House at Hastsal has been occupied on my application on account of the English Dept of the Deputy Superintendent's Office. The Building is however in a very critical condition and

Sir

With reference to your docket No 1316/1108 of the 27th ultimo, calling for the prescribed Tal bar forms of proposition for increasing the pay of Mr Taylor, Assistant Master at Hassan, from Rs 40 to Rs 50 per mensem I have the honor to point out an error in my previous letter on the subject—Mr Taylor only receives Rs 30 at present, and I beg to recommend that the amount be increased to Rs 40, instead of providing him with a residence as he had been promised It is not I believe necessary that this increase should be submitted for the sanction of Government, as the pay of the head master was raised from Rs 150 to Rs 200 without any reference

to the Government of India. Several other instances of a similar kind have occurred in the District Schools in which the Commissioner has sanctioned an increase both to Assistants and Head masters

I beg also to apply for sanction to the employment of an additional Teacher on Rs 15 per mensem in the same School Mr. Rice who lately inspected the School stated that one, if not two, additional Teachers were required, and the Head master now writes that there are 69 boys in the fourth or junior class, and that it is impossible for one man satisfactorily to teach so many

I may add that the Inspector reports most favorably of the School and all the Teachers in it, particularly the Head master and the assistant Mr. Taylor

I have the honor to be,
Sir,
Your most obedient Servant,

J. Garrett.
